

**MEMORANDUM**

**To:** Board of Regents  
**From:** Board Office  
**Subject:** Iowa State University Strategic Plan of 2000-2005  
**Date:** June 5, 2000

**Recommended Actions:**

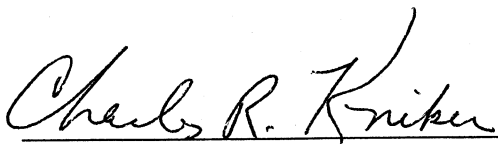

1. Approve the Iowa State University Strategic Plan of 2000-2005, subject to review and proposed modifications by the new president.
2. Request that the University continue the development of benchmarks, indicators, and action steps to be reported to the Board in November 2000.

**Executive Summary:**

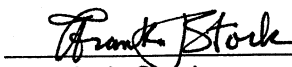

President Jischke will make additional comments to those he made at the May Board meeting on the proposed Iowa State University Strategic Plan. A draft copy of the plan is attached to this memorandum.

Following the Board's approval of the plan, it will be used by the University to guide strategic planning and budgeting decisions for the next five years (2000-2005). The new president of Iowa State University should have the opportunity to review the plan and propose changes to the Board.

The University is requested to continue to develop benchmarks, indicators, and action steps to be reported to the Board in November 2000.
